Merrion Balanced Fund: Share Class B Euro
A Sub Fund of Merrion Capital Investment Funds Plc

ISIN: IE00BYX5K215

Managed by Merrion Capital Investment Managers Limited

Objectives and Investment Policy

The actively managed Fund aims to maximise the return on your investment through a combination of capital growth and income on the Fund's assets. The Fund applies prudent diversification criteria and will take into account both regional and sector diversification. The investment objective of this Fund is to capture a substantial element of the capital growth potential inherent in equity markets while limiting the risk over the long term through investing in an actively managed balanced portfolio diversified across global transferable securities including equities, closed-ended property funds, government and corporate bonds and cash deposits. The split between asset classes will be actively managed according to economic conditions.

The fixed income securities may be issued by governments, government agencies, companies and supranationals (e.g. the World bank).

The Fund may utilise foreign exchange forwards to hedge and/or gain foreign currency exposure.

The Fund is not being managed in reference to an index.

This Fund may not be suitable for investors who plan to withdraw their money within 5 years.

Your shares will be non-distributing (i.e. dividend income will be included in their value).

Please refer to the Prospectus and Fund Supplement for more detailed information.

Risk and Reward Profile

Lower risk ← Higher risk
Potentially lower reward ← Potentially higher reward

- Historical data may not be a reliable indication for the future.
- The risk category shown is not guaranteed and may shift over time.
- The lowest category does not mean 'risk free'.

The Fund is rated 5 due to the nature of its investments which include the risks listed below. These factors may impact the value of the Fund's investments or expose the Fund to losses.

Credit Risk – A borrower or a counterparty may fail to repay or otherwise withstand contractual obligations to the Fund.

Counterparty Risk – A counterparty may fail to repay or otherwise withstand contractual obligations to the Fund.

Operational Risk - A failure of systems or personnel may result in losses.

Interest Risk - Movements in interest rates could cause the value of the Fund to fall.

Currency Risk - Returns from overseas securities can also be subject to fluctuations in exchange rates.

Derivatives Risk - Derivatives can be used to help reduce risk but may not be fully successful. Derivatives can also reduce gains you may otherwise have made. Certain derivatives may result in gains or losses that are greater than the amount originally invested.

Emerging Markets - The performance of the Fund may be affected by changes in economic and market conditions due to political developments and changes in government policies.

Charges

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry charge	4.00%
Exit charge	No charge
This is the maximum that might be taken out of your money before it is invested.	
Charges taken from the Fund over a year	
Ongoing charges	0.95%
Charges taken from the Fund under certain specific conditions	
Performance fee	No charge

As this class is not currently active, the ongoing charges figure is an estimate based on the expected total of charges. The estimated ongoing charges figure is based on expenses for the twelve month period. This figure may vary from year to year. It excludes:

Portfolio trade-related costs, except costs paid to the custodian.

Any entry/exit charge paid to an underlying collective investment scheme (if any).

Performance fees.

For more information on charges, please see the Fund's prospectus, which is available at www.merrion-investments.ie.
