WARNING: This Investment is a complex investment product and may be difficult to understand. Investors should not invest in this product without having sufficient knowledge, experience and professional advice from their Financial Broker to make a meaningful evaluation of the merits and risks of investing in a product of this type, and the information contained in this document and the Base Prospectus.

Investment Case For Innovative Technologies: Technological Innovation is instrumental in delivering economic and productivity gains. It offers a key route to developing new tools and approaches for tackling major societal challenges and improving quality of life. Technology is one of the most important growth opportunities currently available to investors. We are likely still in the early stages of the technology revolution with a huge potential growth opportunity in the years ahead.

Investment summary: The Cantor Fitzgerald Ireland Protected US Innovative Leaders Bond (the “bond” or “investment”) is a 5 year investment with returns linked to 125% of the performance of the US Innovative Leaders 5 Index (BNPIUL5 Index) (The Index) and there is no upside cap or limit on potential returns. If the index performance is positive at maturity, investors will receive 125% of the positive growth of the index. If the index performance is negative at maturity, investors capital will only be reduced by up to the first 10% of any negative performance. Thus investors will have 90% of their capital protected by the Bond Guarantor BNP Paribas. 125% of any positive returns from the index at maturity will be added to 100% of your capital invested and returned to you at the Final Maturity Date.

The Index: The US Innovative Leaders 5 Index is an excellent way for investors to gain diversified exposure across 50 leading stocks in the high growth areas of Artificial Intelligence, Robotics, Automotive Innovation, Healthcare Innovation, Data Computing and the Internet of things. The composition of the index is adjusted quarterly. The index analyses the extent to which a company has intellectual property and invests in research and development through their patent data.

Low Risk: This bond is categorised as a low risk investment (SRI Risk Level 2 out of 7). If the index performance is positive at maturity investors will receive the Index performance along with 100% of their original capital invested. If the index is negative investors will receive the negative performance of the index subject to a floor of 90% of capital invested. The 90% Capital protection at maturity and the investment returns are guaranteed by BNP Paribas. Other potential risks include the financial failure of BNP Paribas (as Guarantor). We would like to draw your attention to “What risks should be considered before investing?” on page 13 of the product brochure.

Advice: This product is being marketed on an advisory basis only. Prior to investing, it is important that you take advice from your Financial Advisor or from your Cantor Fitzgerald Ireland Ltd. portfolio manager / broker. We also draw your attention to the target market assessment provided in page 15 of the product brochure.

WARNING: Your capital is at risk; you may lose up to 10% of the money you invest.

WARNING: If on the Final Valuation Date the Final Price Level of any of The Index performance is more than 10% below its Initial Price Level you will lose 10% of your initial investment.

WARNING: The return on your investment as well as the capital protected amount at maturity is linked to the solvency of BNP Paribas Issuance B.V. as Issuer and BNP Paribas as Guarantor, if both were to default you will lose some or all of your investment.

**WARNING: Past performance is not a reliable guide to future performance.
The value of investments may go down as well as up.**
