Guide to Acceptable/Unacceptable Forms of Proof of Identity & Address

Proof of Identity

ONE certified copy of acceptable ID (listed below) clearly showing the photograph, expiry date and all other relevant information pertaining to the document provided.

If the name on the ID is different to that on the account, e.g. married name, maiden name, etc., please provide a certified copy of the marriage certificate or equivalent document.

Please do NOT send originals.

Proof of Address

TWO original or certified copies of a Proof of Address, ONE must be a Bank Statement for the IBAN attached to the account. Please choose a second from the acceptable list below. The document must bear the name and address as provided on the application for each named person on the account.

We do NOT return original Proofs of Address.

Please note that we require two documents from separate entities.

Please Note: On expiry your account will be temporarily blocked from trading until updated ID/Proof of Address is received.

Who can certify my documents?

A certified copy is one which has been signed, dated and stamped as a true copy of the original by an intermediary, bank manager or Commissioner for Oaths, or a practising solicitor/accountant. Please quote the FCCA (or equivalent) of the accountant who has certified the AML.

Alternatively, if you choose to call into a Cantor office with the originals, we will gladly take a copy of the relevant documents and certify them. We have offices in Dublin, Cork and Limerick.
