# Appendix CRS & FATCA Self Certification for Individuals & Entity Accounts – Instruction and Defined Terms

Regulations based on the Organisation for Economic Cooperation and Development ("OECD") Common Reporting Standard ("CRS") require Financial Institutions ("FIs") to collect and report certain information about an account holder's tax residency. If the account holder's tax residence is located outside the country where the FI maintaining the account is located, we may be legally obliged to pass on the information in this form and other financial information with respect to your financial accounts to the tax authorities in the country where the FI is located and they may exchange this information with tax authorities of another jurisdiction or jurisdictions pursuant to intergovernmental agreements to exchange financial account information.

# How to complete the Self Certification?

### Who should complete this form?

Please complete this form where you are required to or have been requested to self-certify. It is the responsibility of the account holder to ensure the form is completed correctly. It is a requirement under the Common Reporting Standard "CRS" and Foreign Account Tax Compliant Act "FATCA" to self certify.

### Understanding the Terminology

You can find summaries of defined terms such as an "Account Holder", entity classifications such as "Financial Institution" and "International Organization" and other terms, in this Appendix.

## Validity of form and No Tax Advice notice

This form is intended to request information consistent with local law requirements.

This form will remain valid unless there is a change in circumstances relating to information, such as the Account Holder's tax status or other mandatory field information that makes the form incorrect or incomplete. In that case you must notify us and provide an updated self-certification.

As a financial institution, we are not allowed to give tax advice. Your tax adviser may be able to assist you in answering specific questions on this form. Your domestic tax authority can provide guidance regarding how to determine your tax status.

You should indicate the capacity in which you have signed in Section 4 (e.g., as custodian or nominee of an account on behalf of the account holder as an authorised signatory, beneficial owner or power of attorney).

You can find out more information, including a list of jurisdictions that have signed agreements to automatically exchange information, along with details about the information being requested, on the OECD automatic exchange of information portal at <a href="http://www.oecd.org/tax/automatic-exchange/">http://www.oecd.org/tax/automatic-exchange/</a>.

# **Appendix - Summary Descriptions of Select Defined Terms**

Note: These are selected summaries of defined terms provided to assist you with the completion of this form. Further details can be found within the OECD "Common Reporting Standard for Automatic Exchange of Financial Account Information" (the "CRS"), the associated "Commentary" to the CRS, and domestic guidance. Relevant information can be found at the OECD automatic exchange of information portal at <a href="http://www.oecd.org/tax/automatic-exchange/">http://www.oecd.org/tax/automatic-exchange/</a>.

If you have any questions then please contact your tax adviser or domestic tax authority.

Account Holder

The "Account Holder" is the person listed or identified as the holder of a Financial Account by the Financial Institution that maintains the account. This is regardless of whether such person is a flow-through Entity. Thus, for example, if a trust or an estate is listed as the holder or owner of a Financial Account, the trust or estate is the Account Holder, rather than the trustee or the trust's owners or beneficiaries. Similarly, if a partnership is listed as the holder or owner of a Financial Account, the partnership is the Account Holder, rather than the partners in the partnership. A person, other than a Financial Institution, holding a Financial Account for the benefit or account of another person as agent, custodian, nominee, signatory, investment advisor, or intermediary, is not treated as holding the account, and such other person is treated as holding the account. With respect to an individual or jointly held account, the individual or each joint holder is treated as an Account Holder.

Active NFE

An Active NFE if it meets any of the criteria listed below. In summary, those criteria refer to:

- active NFEs by reason of income and assets;
- publicly traded NFEs;
- Governmental Entities, International Organisations, Central Banks, or their wholly owned Entities;
- holding NFEs that are members of a non-financial group;
- start-up NFEs;
- NFEs that are liquidating or emerging from bankruptcy;
- treasury centres that are members of a non-financial group; or
- non-profit NFEs.

An entity will be classified as an Active NFE if it meets any of the following criteria:

- a) less than 50% of the NFE's gross income for the preceding calendar year or other appropriate reporting period is passive income and less than 50% of the assets held by the NFE during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income;
- the stock of the NFE is regularly traded on an established securities market or the NFE is a Related Entity of an Entity the stock of which is regularly traded on an established securities market;
- c) the NFE is a Governmental Entity, an International Organisation, a Central Bank, or an Entity wholly owned by one or more of the foregoing;
- d) substantially all of the activities of the NFE consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an Entity does not qualify for this status if the Entity functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund, or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes;

- e) the NFE is not yet operating a business and has no prior operating history (a "start-up NFE") but is investing capital into assets with the intent to operate a business other than that of a Financial Institution, provided that the NFE does not qualify for this exception after the date that is 24 months after the date of the initial organisation of the NFE;
- f) the NFE was not a Financial Institution in the past five years, and is in the process of liquidating its assets or is reorganising with the intent to continue or recommence operations in a business other than that of a Financial Institution;
- g) the NFE primarily engages in financing and hedging transactions with, or for, Related Entities that are not Financial Institutions, and does not provide financing or hedging services to any Entity that is not a Related Entity, provided that the group of any such Related Entities is primarily engaged in a business other than that of a Financial Institution; or
- h) the NFE meets all of the following requirements (a "non-profit NFE")
  - it is established and operated in its jurisdiction of residence exclusively for religious, charitable, scientific, artistic, cultural, athletic, or educational purposes; or it is established and operated in its jurisdiction of residence and it is a professional organisation, business league, chamber of commerce, labour organisation, agricultural or horticultural organisation, civic league or an organisation operated exclusively for the promotion of social welfare;
  - ii) it is exempt from income tax in its jurisdiction of residence;
  - iii) it has no shareholders or members who have a proprietary or beneficial interest in its income or assets;
  - iv) the applicable laws of the NFE's jurisdiction of residence or the NFE's formation documents do not permit any income or assets of the NFE to be distributed to, or applied for the benefit of, a private person or non-charitable Entity other than pursuant to the conduct of the NFE's charitable activities, or as payment of reasonable compensation for services rendered, or as payment representing the fair market value of property which the NFE has purchased; and
  - v) the applicable laws of the NFE's jurisdiction of residence or the NFE's formation documents require that, upon the NFE's liquidation or dissolution, all of its assets be distributed to a Governmental Entity or other non-profit organisation, or escheat to the government of the NFE's jurisdiction of residence or any political subdivision.

Note: Certain entities (such as U.S. Territory NFFEs) may qualify for Active NFFE status under FATCA but not Active NFE status under the CRS.

Control

"Control" over an Entity is generally exercised by the natural person(s) who ultimately has a controlling ownership interest (typically on the basis of a certain percentage (e.g. 10%)) in the Entity. Where no natural person(s) exercises control through ownership interests, the Controlling Person(s) of the Entity will be the natural person(s) who exercises control of the Entity through other means. Where no natural person or persons are identified as exercising control of the Entity through ownership interests, the Controlling Person of the Entity is deemed to be the natural person who holds the position of senior managing official.

Controlling Person(s)

"Controlling Person(s)" are the natural person(s) who exercise control over an entity. Where that entity is treated as a Passive Non-Financial Entity ("Passive NFE") then a Financial Institution is required to determine whether or not these Controlling Persons are Reportable Persons. This

definition corresponds to the term "beneficial owner" described in Recommendation 10 and the Interpretative Note on Recommendation 10 of the Financial Action Task Force Recommendations (as adopted in February 2012).

In the case of a trust, the Controlling Person(s) are the settlor(s), the trustee(s), the protector(s) (if any), the beneficiary(ies) or class(es) of beneficiaries, or any other natural person(s) exercising ultimate effective control over the trust (including through a chain of control or ownership). Under the CRS the settlor(s), the trustee(s), the protector(s) (if any), and the beneficiary(ies) or class(es) of beneficiaries, are always treated as Controlling Persons of a trust, regardless of whether or not any of them exercises control over the activities of the trust.

Where the settlor(s) of a trust is an Entity then the CRS requires Financial Institutions to also identify the Controlling Persons of the settlor(s) and when required report them as Controlling Persons of the trust. In the case of a legal arrangement other than a trust, "Controlling Person(s)" means persons in equivalent or similar positions.

Resident for tax purposes

Each jurisdiction has its own rules for defining tax residence, and jurisdictions have provided information on how to determine whether an entity is tax resident in the jurisdiction on the following website: <a href="http://www.oecd.org/tax/automatic-exchange">http://www.oecd.org/tax/automatic-exchange</a>

Generally, an Entity will be resident for tax purposes in a jurisdiction if, under the laws of that jurisdiction (including tax conventions), it pays or should be paying tax therein by reason of its domicile, residence, place of management or incorporation, or any other criterion of a similar nature, and not only from sources in that jurisdiction. Dual resident Entities may rely on the tiebreaker rules contained in tax conventions (if applicable) to solve cases of double residence for determining their residence for tax purposes. An Entity such as a partnership, limited liability

partnership or similar legal arrangement that has no residence for tax purposes shall be treated as resident in the jurisdiction in which its place of effective management is situated. For additional information on tax residence, please talk to your tax adviser or see the OECD automatic exchange of information portal at <a href="http://www.oecd.org/tax/automatic-exchange">http://www.oecd.org/tax/automatic-exchange</a>

A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at the OECD automatic exchange of information portal at <a href="http://www.oecd.org/tax/automatic-exchange/">http://www.oecd.org/tax/automatic-exchange/</a>. Some jurisdictions do not issue a TIN. However, these jurisdictions often utilise some other high integrity number with an equivalent level of identification (a "functional equivalent"). Examples of that type of number include, for Entities, a Business/company registration code/number.
