

Target market & key factors when considering if this bond is right for you

Cantor Fitzgerald's range of structured products are designed to offer investors access to a portfolio covering different asset classes, payoff structures & maturity profiles. Whilst our products are available to a wide range of investor groups, we recognise that within these investor groups the products are designed to meet the needs of specific investors. This is known as the "Target Market" and you should consider the table below when assessing if this investment is right for you and therefore if you are inside the intended target market.
