

Job Description

Title: Research Analyst

Location: Dublin, Ireland

Reporting to: Senior Research Analyst

Contract Type: Full time Permanent

Cantor Fitzgerald

Cantor Fitzgerald Ireland is part of leading global financial services firm Cantor Fitzgerald. Cantor Fitzgerald has offices and trading desks in all major financial service centres throughout the world. We specialise in equities, Investment Banking, Real Estate, Fixed Income and Currencies. Cantor Fitzgerald's affiliate businesses include: BGC Group Inc. (BGC), Newmark (NMRK), and GFI Group (GFI). Cantor Fitzgerald Ireland provides a full suite of investment services, primarily wealth management, fund management, debt capital markets and corporate finance.

Role Summary:

The Research Analyst will work within a dynamic team primarily supporting the Private Wealth Relationship Managers and Clients with investment commentary. The Analyst will build and maintain financial models on equities.

Responsibilities

- Producing regular insightful investment commentary and research on specific agreed equities for distribution to the firms Private Wealth client base via traditional and social media channels.
- Building and maintaining financial models on equities under coverage.
- Formulating and updating investment ideas for both trading and long-term portfolio clients.
- Actively contributing to the firm's investment committee meetings.
- Addressing portfolio management/sales desk queries in a timely and efficient manner.
- Contribute to adhoc projects as required.
- Provide support and guidance to more junior members of staff.

Requirements:

- A graduate qualification in a Finance/numerical discipline and/or qualified CFA or ACA.
- Ideally 2+ years' experience in an Analyst role on the sell-side and/or or buy-side.
- A passion for financial markets and track record of making successful investment recommendations.
- Strong financial modelling, valuation and analysis skills.
- Strong communication and presentation skills; both oral and written.
- A confident and affable team player who thrives working in a fast-paced environment.
- Strong information technology skills with a high level of proficiency in Word, Excel and PowerPoint, Bloomberg and Factset.
