

Fund Objective: The Cantor Fitzgerald Balanced UCITS Fund was launched in October 2006 to provide balanced long term growth by actively managing the distribution of the portfolio across global markets, including equities, property funds, bonds and cash deposits. The split between asset classes is actively managed according to economic conditions, which will normally constitute 60-80% invested in equities.

The Fund promotes a range of environmental and social characteristics, and is categorised as Article 8 in accordance with SFDR.
