This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this fund. You are advised to read it so you can make an informed decision about whether to invest.

Global Equity UCITS Fund: Share Class A Euro  
A Sub Fund of Cantor Fitzgerald Investment Funds Plc

ISIN: IE00B1FQCJ23

*The Fund Management Company is Fundrock Management Company (Ireland) Limited*

## Objectives and Investment Policy

This Fund is an open-ended UCITS and has an indefinite duration. The Fund may be terminated at any time in line with the constitutional documents of the Company.

The Fund is actively managed and aims to maximise the return on your investment through a combination of capital growth and income on the Fund's assets.

The Fund applies prudent diversification criteria and will take into account both regional and sector diversification.

The Fund's investment objective will be achieved by investing in equity securities (e.g. shares) listed or traded on recognised markets, but may from time to time also invest in cash deposits and fixed income securities (i.e. bonds) as protection in uncertain markets.

The fixed income securities may be issued by governments, government agencies, companies and supranationals (e.g. the World bank).

The Fund may utilise foreign exchange forwards to hedge and/or gain foreign currency exposure.

The Fund is not being managed in reference to an index.

This Fund may not be suitable for investors who plan to withdraw their money within 5 years.

Your shares will be non-distributing (i.e. dividend income will be included in their value).

Please refer to the Prospectus and Fund Supplement for more detailed information.

## Risk and Reward Profile

- Historical data may not be a reliable indication for the future.
- The risk category shown is not guaranteed and may shift over time.
- The lowest category does not mean 'risk free'.

The Fund is rated 6 due to the nature of its investments which include the risks listed below. These factors may impact the value of the Fund's investments or expose the Fund to losses.

**Credit Risk** – A borrower or a counterparty may fail to repay or otherwise withstand contractual obligations to the Fund.

**Counterparty Risk** – A counterparty may fail to repay or otherwise withstand contractual obligations to the Fund.

**Operational Risk** - A failure of systems or personnel may result in losses.
