Performance data quoted represents past performance. Past performance does not guarantee future results. Value will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. Returns greater than one year are annualized unless otherwise noted. Performance may reflect agreements to limit a fund's expenses, which would further reduce performance if not in effect.

The Cantor Fitzgerald Global Equity UCITS Fund is authorised in Ireland and is recognised by the UK Financial Conduct Authority under the Overseas Funds Regime for distribution to retail and professional investors in the United Kingdom. The UK Financial Ombudsman Service is unlikely to consider complaints relating to the UCITS, its management company, or its depository. Claims for losses relating to the management company or the depository are unlikely to be covered under the UK Financial Services Compensation Scheme. Prospective investors should consider obtaining financial advice before deciding to invest and should refer to the prospectus of the UCITS for more information.

\*'Volatility' on a risk scale of 1 to 7, with level 1 being generally low risk and level 7 being generally high risk. The volatility is measured from past returns over a period of five years using weekly and monthly data where applicable. Prior to making an investment decision, you should talk to your financial advisor or broker in relation to the risk profile most suitable for you.
